Dear Parents,

Thank you for requesting the sacrament of Holy Baptism for your child. We shall do our best to make this occasion a special event for you all.

We offer Baptism either at our 9.30am Holy Communion service, our 11am Mattins service or as a separate service at 12.15pm. **Please note that Godparents must themselves have been baptised.**

There is no fee for a Baptism, but there is an opportunity for you to make a free-will thank offering for the birth of your child. If you wish to video the service there is a £40 fee to be paid.

A member of this Church will be in touch in due course, and will offer to visit you at home and explain the service to you. You will also have a chance to meet with the priest who will conduct the service, usually on a Saturday morning in Church.

If, on reflection, you are uncertain about whether you will be able to make the promises required at a Baptism, then you may be interested in the Service of Thanksgiving for the birth of a child. If you would like to know more about this service, please do not hesitate to be in touch.

We look forward to meeting you in due course, and warmly invite you to join us for worship on a regular basis.

With all good wishes,

Yours sincerely,

The Revd David Brentnall (Vicar)
