27 February, 2025

Why we get anxious – anxiety disorders and the anthropology of threat and harm.

13 March

Why we love our children and why this might be linked to depression– Attachment disorders and the anthropology of parenting and child-rearing, as well as child mortality and grieving.

27 March

Why we feel disgust – Obsessional Compulsive Disorder and the anthropology of hygiene and cleanliness.

24 April

Why we worry – ruminative disorders and the anthropology of planning and learning from past mistakes.

15 May

Why we get angry – expressing anger and discontent; and the anthropology of fairness in society.

29 May

Why we play and have fun – the core human need of play and the anthropology of play and enthusiasm.
