Topics for Prayer

“Every dwelling is built by someone, but God is the builder of everything.”
Hebrews 3:4

Give thanks:

- For all those who are working to make this project a success; the architects, our church office and building committee, along with everyone else involved in practical support and fundraising.
- For our excellent relationship with MRMC, and their warm welcome to us.
- For the life of our church, appreciated and valued by so many.

Pray:

- For funding for this once in a life time project.
- For a smooth transition and progress during the project.
- For skill and wisdom for contractors and all taking part in this project.
- For one another, that we will all feel cared for, included and able to work together for the success of this project.
- That we see God’s hand at work in us during our time away from the building.
